# The Glenmore Trust

Newsletter

Peter Mitchell , Alan's nephew has recently completed an amazing journey cycling with 2 of his friends from John O'Groats to Land's End ,it took them **6 days and 12 hours to cycle the 874 miles**. Not only that but Peter raised a brilliant £1058.52 for the Glenmore Trust in the process! Peter says the best bit of the journey was cycling through the Scottish Highlands, especially the stunning descent into Aviemore and the worst bit was the last day and the never ending hills of Devon and Cornwall !!!

The photos are of Peter stopping off to say hello to his Uncle Alan on the way through Carlisle, a map of the route cycled, and finally reaching Lands End at sunset.

**Thank you Peter and friends for raising funds for us.**
